"APPENDIX-16

Pre-Primary to Primary

(Arts Stream and Science Stream)

Norms and Standards for Four Years Integrated Teacher Education Programme

(Integrated Teacher Education Programme Sharing of

Physical Resources with the other Departments of the University or College)

1. Preamble:

1.1 The four years Integrated Teacher Education Programme (ITEP) Arts Stream and Science Stream is offered after Senior Secondary (+2) and aims at preparing committed, responsible and professional teachers. This programme is intended to result in a paradigm shift in teacher preparation. The curriculum of this four years integrated programme is designed inculcating the world's best practices in the field of teacher education sector. This is a specialised course with intrinsic integration of pedagogy and content, along with sustained engagement with liberal disciplines of knowledge and field of education. Opportunity for vertical mobility of teachers is also visualised through this programme.

This programme integrates general studies comprising Mathematics and Science, Social Sciences and Humanities and also professional studies comprising perspectives in education, other core education courses, curriculum and pedagogy of school subjects and practicum related to the tasks and functions of a school teacher. It maintains a balance between theory and practice and ensures coherence and integration among the various components of the programme. It is expected to equip the aspirant school teacher with the requisite attitude, skill and knowledge to address the challenges of becoming an effective school teacher.

1.2 The programme shall be offered in the institutions which are composite institutions as defined in Clause (b) of regulations 2 of the National Council for Teacher Education (Recognition, Norms and Procedures) Regulation, 2014 (hereafter referred to as the principal regulation in this Appendix), on the date of making an application for this programme.

1.3 The programme shall permit sharing of existing physical resources in other Departments of the University or College or Composite teacher education institution.

1.4 The time limits prescribed for inviting and processing of applications as provided in sub-regulations (5) and (6) of regulation 5 of the principal regulations shall be adhered to: if it is considered necessary that the time limits provided that sub-regulations (5) and (6) of regulation 5 may be relaxed after due consideration and after obtaining approval of the Central Government.

2. Duration and Working Days:

2.1 Duration:

The Integrated Teacher Education Programme (Arts and Science streams) shall be of four academic years comprising eight semesters, inclusive of field-based experiences, teaching practice and internship. Any Student-teacher who is unable to complete any semester or appear in any semester–end examination, shall be permitted to complete the programme within a maximum period of six years from the date of admission to the programme with the approval of the Managing Committee.

2.2 Working Days:

(a) In a semester, there shall be at least 125 (one hundred and twenty-five) working days and a minimum 840 (eight hundred and forty) working hours, excluding the period of examinations and admissions.

(b) Total working hours shall be a minimum of 40 (forty) hours to be spread over one week.

(c) The minimum attendance of student-teachers shall have to be eighty percent in all courses and ninety percent for field-based experience or school internship or teaching practice separately.

3. Intake, Eligibility, Admission Procedure and Fees:

3.1Intake:

(a)The basic unit shall comprise of fifty students each in the programme.

(b)The institution shall be permitted to opt for units of either Arts stream or Science stream, or both, in case the institution is eligible for more than one unit.

3.2 Eligibility:

(a) Candidates with formal education from a 'School' as defined in **clause (n) of section 2 of the Right to Education Act, 2009**, with at least fifty percent marks in Senior Secondary or plus two examination or its equivalent, are eligible for admission.

(b) The relaxation in percentage of marks in the Senior Secondary or plus two examination or its equivalent examination and in the reservation for Scheduled Caste or Scheduled Tribe or Other Backward Class or Persons With Disabilities and other categories shall be as per the rules of the Central Government or State Government or Union Territory Administration, whichever is applicable.

3.3 Admission Procedure:

(a) Admission shall be made on merit basis, considering marks obtained at Senior Secondary or plus two level or equivalent examination or in an entrance examination, or any other selection process as per the policy of the University or State Government or Union Territory Administration.

(b) At the time of admission to the programme, the candidate must indicate the subject in which he or she proposes to take the B.A or B.Sc Degree. Admissions shall be on the basis of order of merit and

availability of seats. Any change in the choice of subjects shall be made within one month from the date of commencement of the programme.

3.4 Fees:

The institution shall charge only such fee as may be prescribed by the affiliating body or State Government or concerned Universities in accordance with provisions of the National Council for Teacher Education (NCTE) (Guidelines for regulation of tuition fees and other fees chargeable by unaided teacher education institutions) Regulations, 2002 and shall not charge donations, capitation fee, etc. from the students.

4. Curriculum and Programme Implementation:

The curriculum and the implementation of the programme may be based on the model curriculum developed by the NCTE. The concerned Universities or Institutions conducting this programme may adapt or modify this model curriculum, as per local requirement for the conduct of this programme with prior approval of the NCTE.

5. Staff :

5.1 Faculty:

For an intake of one basic unit of fifty students and two units of one hundred students, faculty shall be recruited for the curricular areas, with the specified essential and desirable qualifications and specialisation. Additional faculty shall be appointed subject to provisions that the faculty requirements for the curricular areas mentioned below are fulfilled.

The distribution of faculty across different curricular areas for one unit and two units of ITEP (Pre-Primary to Primary) (Science Stream) shall be as under:
