CG ANCIENT MONUMENT AND ARCHAEOLOGICAL SITES AND REMAINS RULES,1975

10 Bhopal, the 16th July 1976 No. 697-586- Arch-75 - In exercise of the powers conferred by section 37 of the Madhya Pradesh Ancient Monuments and Archaeological Sites and Remains Act, 1964 (12 of 1964), the State Government hereby makes the following rules, the same having been previously published as required by sub-section (I) of the said section, namely RULES THE MADHYA PRADESH ANCIENT MONUMENTS AND ARCHAEOLOGICAL SITES AND REMAINS RULES, 1975 . CHAVTER 1 - PRELMINARY 1. Short title- These rules may be called the Madhya Pradesh Ancient Monuments and Archaeological Sites and Remains Rules, 1976

2. Definitions - In these rules, unless the context otherwise required, .(a) "Archaeological officer" means an officer of the Archaeology and Museum Department of the State of Madhya Pradesh. (b) "Construction" means the construction of any structure and includes additions to or alterations of an (c) (d) (e) (f) (g) (h) (i) existing building. "Copying" together with its grammatical variations and cognate expressions, means preparation of copies by drawing or by photography or by mould or by squeezing and includes the preparation of a cinematographic film with the aid of a hand - camera which is capable of taking films of not more than eight millimeters and which does not require the use of a stand or involve any previous arrangement; "filming" together with its grammatical variations and cognate expressions, means the preparation of a cinematographic film with the aid of a camera which is capable of taking films of more than eight millimeters and which requires the use of a stand or involves other special previous arrangements; "form" means a form set out in the Third Schedule; "mining operation" means any operation for the purpose of searching for or obtaining minerals and includes quarrying, excavating, blasting and any operation of a like nature; "Prohibited area" or "regulated area" means an area near or adjoining a State protected monument which the State Government has by notification in the official gazette, declared to be a prohibited area or as the case may be, a regulated area for purposes of mining operation. or construction or both. "schedule" means a schedule to these rules, and "section" means a section of the Madhya Pradesh Ancient Monuments and Archaeological Sites and Remains Act, 1964 (12 of 1964)

CHAPTER 11 - ACCESS TO STATE PROTECTED MONUMENTS 3. Monuments governed by agreement.- (1) Access to State protected monuments in respect of which an agreement has been entered into between the owner and the State Government under section 5, or in respect of which an order has been made by that Government under section 8, shall be governed by the provisions of the agreement or, as the case may be, the order and nothing in rules 4, 5, 6 or 7 shall be constmed as affecting any such agreement or order. (2) A copy of the relevant irovisions of every such agreement or order shall be exhibited in a conspicuous part of the monument concerned

4. Parts of monuments not open.- The Director, may, by order direct that any specified part of a S tate protected monument shall not be open, permanently or for a specified period, to any person other than an archaeological officer, his agents, subordinates and workmen and any other Government servant on duty at such part. 101

5. Monuments when kept open.- (1) The State protected monuments specified in the First Schedule shall remain open during the hours specified against them in that Schedule, State protected monuments which are not so specified and to which neither rule 3 nor rule 4 applies shall remain open from sunrise to sunset • Provided that an archaeological officer by notice to be exhibited in a conspicuous part of the monument, direct that a State Protected monument, or part thereof shall be closed temporarily for such periods as may be specified in the notice. (2) Nothing in this rule or in rule 6 shall apply to an archaeological officer, his agents, subordinates and workmen or to any other Government servant on duty at a State protected monument

6. Entrance fee.- No person above the age of fifteen years shall enter any State protected monument or part thereof specified in the Second Schedule except on payment of such fee as may be prescribed by the Director: Provided that the Director may, by order, direct that on such occasions and for such periods as may be specified inthe order, no fee shall bg charged for entry into a State protected monument or part thereof

7. Holding of meetings, etc.in monuments.- (1) No State protected monument shall be used for the purpose of holding any meeting, reception, party, conference or entertainment except under and in accordance with a permission in writing granted by the State Government; (2) Nothing in sub-rule (1) shall apply to any meeting, reception party, conference or entertainment which is held in pursuance of a recognised religious usage or custom

8. Prohibition of certain acts within monuments.- No person shall within a State protected monument:- (a) (b) (c) (d) (e) (O (g) do any act which causes or is likely to cause damage or injury to any part of the monument; or discharge any fire arms; or cook or consume food except in areas, if any, permitted to be used for that purpose; or hawk or sell any goods or wares or canvass any custom for such goods or wares or display any advertisement in any form or show a visitor round for monetory consideration except under the authority of, or under and in accordance with the conditions of a licence granted by an Archaeological Officer; or beg for alms; or violate any practice,usage or custom applicable to be observed in the monument; or bring for any purpose other than the maintenance of monument - (i) any animal; or (ii) any vehicle except in areas reserved for the parking thereof

9. Penalty.- Whoever- (i) unlawfully enters any State protected monument or part thereof at a time when under these rules it is not to be kept open; or (ii) unlawfully enters any protected monumentin respect ofwhich an orderhas been made underrule40rrule 5; or (iii) contravenes any of the provisions of rule 6 or rule 7 or rule 8 shall be punishable with fine which may extend to five hundred rupees. CHAVrER m - CONSTRUCTION AND OTHER OPERATIONS m STATE PROTECTED AREAS

10. Permission required for construction, etc.- (1) No person shall undertake any construction or mining operation within a State protected area except under and in accordance with a permission granted in this behalf by the State Government. (2) Every application for permission under sub-rule (I) shall be made to the State Government in

Form I at least three months before the date of commencement of the construction or operation. 102

11. Licence required for excavation.- No person other than the Director or an Archaeological Officer authorised by him in this behalf shall undertake any excavation for archaeological purposes in any State protected area except under and in accordance with the terms and conditions of a licence granted under rule 13

12. Application for licence.-Every application for a licence shall be in form 11 and be made to the Director at least six months before the proposed date of the commencement of the excavation operations

13. Grant or refusal of Licence.- (l) On receipt of an application under rule 12, the director may, subject to the provisions of section 24 of the Ancient Monuments and Archaeological Sites and Remains Act, 1958, (No. 24 of 1958), grant a licence to the applicant, in

Form Ill Provided that no licence shall be granted unless the applicant has furnished security of such amount not exceeding rupees ten thousand as the Dirrector may, having regard to the circumstances of each case, require. (2) The Director, by order, may for reasons to be recorded in writing, refuse to grant a licence in any particular case

14. Period of licence.- Every licence shall be in force for such period not exceeding two years as may be specified in the licence: Provided that the Director may on application made to him at least one month before the expiry of a licence, extend its period by one year at a time so that the aggregate period does not exceed five years

15. Cancellation of licence.- The Director may, by order, cancel a licence granted under rule 13 ifheis satisfied that the conduct of the excavation operations has not been satisfactory or in accordance with the conditions of the licence, or if any further security demanded under rule 18 has not been deposited within the specified time : Provided that no licence shall be cancelled unless the licensee, has been given an opportunity to make his objections

16. Conditions of licence.- Every licence shall be subject to the following conditions, namely:- (a) (b) (c) (d) (e) (D (h) O) (k) the licence shall not be transferable; the licensee shall give to the Director, the Collector and the owner of the land to be excavated at least fifteen day's notice in writing of the commencement of the excavation operations; the licensee shall produce the licence before the Collector or the District Superintendent of Police concerned or an archaeological officer, if so required; the excavation operations shall be conducted under the supervision ofthe supervisor named in the licence who shall be present at the excavation operations for at least three-fourths of the period of the operations; the licensee shall not without the permission of the Director, dismantle or disturb any structures found during dle excavation operations and shall make adequate arrangements for the safety of such structures and of the excavated antiquities till they are taken charge by the Director; the licensee shall not subject any antiquities recovered during the excavation operations to any chemical or electrolytic process of cleaning without the written permission of the Director; the Director or his representative may inspect the excavation operations or any antiquities recovered during the operations and make notes on or copy or film the excavated structures and antiquities; the licensee shall not discontinue the excavation operations unless he has given at least fifteen days' notice in writing to the Director; at the conclusion of the excavation operations, the licensee shall give notice in writing to the owner of the land specifying the nature of the antiquities, if any, recovered during üle operations; the licensee shall, within three months of the completion of the excavation operations, submit to the Director a summary report of the results of the excavation, and where the operations, are carried on for a period of more than three months, such report shall be submitted every quarter, and it shall be open to the Director to publish the report in his reports or reviews; and the licensee shall as soon as practicable submit a report in

Form IV to the State Government through the Director on the antiquities recovered during the excavation operations. 103

17. Recovery from security.- The Director may, by order, direct the deduction from the security furnished by a licensee under rule 13 of- (a) the value of any antiquities recovered during the excavation operations and lost or destroyed while in the custody of the licensee; and (b) any compensation payable by the State Government under section 25 to the owner or occupier of the land excavated by the licensee

18. Demand of further security.- Where, during the currency of a licence, any amount has been recovered under rule 17, the Director may require the licensee, within such time as he may specify, todeposit such further sum as security as is equivalent to the amount so recovered

19. Appeal.- Any person aggrieved by an order of the Director under rule 13 or rule 15 or rule 17 may prefer an appeal to the State Government and the decision of that Government on such appeal shall be returned to him

20. Return ofsecurity.- On expiration or earlier cancellation of a licence, the security deposited by the licensee or the balance thereof remaining after deduction of any amount under rule 17 shall be returned to him

21. Publication of the result of excavation.- Save as otherwise provided in rule 16, the Director, shall not, without the consent of the licensee, publish the results of the excavation unless the licensee has failed to publish the results within the period specified by the Director in this behalf

22. Retention of antiquities by licensee.-The State Government may, by order, subject to such terms and conditions as may be specified permit the licensee to retain such of the antiquities recovered during the excavation operation as may be specified therein: Provided that human relics of historical importance and antiquities which in the opinion of the State Government are of outstanding importance, shall not be permitted to be retained by the licensee

23. Penalty.-Whoever- (i) unlawfully undertakes any excavation for archaeological purposes in any State protected area; or (ii) contravenes any of the conditions of the licence, shall be punishable with fine which may extend to five thousand rupees

CHAPTER IV - REPORT ON EXCAVATED ANTIQUITIES BY THE DIRECrOR 24. Form of reportby the Director.-Where, as a result of an excavation made by the Director in any area under section 21 any antiquities are discovered, the Director shall, as soon as practicable, submit a report in

Form V to the State Government on the antiquities recovered during the excavation. CHAITER V - MOVING OF ANTIQUITIES FROM CERTAN AREAS

25. Application for moving antiquities.- Every application forpermission to move any antiquities or any class of antiquities in respect of which a notification has been issued under sub-section(l) of section 23 shall be made in form VI to the Director at least three months before the proposed date of the moving

26. Grant or refusal of permission.- On receipt of the application under rule 25, the Director may, after making such enquiry as he may deem necessary, grant permission for the moving of all or any of the antiquities or, for reasons to be recorded refuse such permission

27. Appeal.- Any person aggrieved by an order of the Director under rule 26 may prefer an appeal to the State Government; and the decision of that Government on such appeal shall be final. CHAVrER VI - MINING OPERATION AND CONSTRUCTION NEAR STATE PROTECTED MONUMENTS 28. Notice of intention to declare a prohibited or regulated area.- (1) Before declaring an area near or adjoining a State protected monument to be a prohibited area or a regulated area for purposes of mining operation or construction or both, the State Government shall, by notification in the official gazette give one month's notice of its intention to do so and a copy of such notification shall be affixed in a conspicuous place near the area. (2) Every such notification shall specify the limits of the area which is to be so declared and shall also call for objections, if any, from interested persons. 104

29. Declaration of prohibited or regulated area.- After the expiry of one month from the date of the notification under rule 28 and after considering the objections, if any, received within the said period, the State Government may declare, by notification in the official gazette, the area specified in the notification under rule 28, or any part of such area, to be a prohibited area or, as thecase may be, aregulated area for purposes of mining operation or construction or both

30. Effect of declaration of prohibited or regulated Area.- (l) Subject to the provisions of sub-rule (2), no person, other than the Director, shall undertake any mining operation or any construction (a) in a prohibited area, or (b) in a regulated area except under and in accordance with the terms and conditions of a licence granted by the Director. (2) Where a mining operation intended to be undertaken (a) in a prohibited area, or (b) in a regulated area is subject to the provisions of the Mines and Minerals (Regulation and Development) Act, 1957 (LXVII of 1957), and the rules made thereunder no person shall undertake such mining operation in that area without the permission of the Director

31. Application for licence.- Every person intending to undertake any mining operation or any construction in a regulated area shall apply to the Director in

32. Grant or refusal of licence.- (1) On receipt of an application under rule 31 , the Director may grant a licence or, if he is satisfied that the licence asked for should not be granted, may, for reasons to be recorded, refuse to grant a licence. (2) Every licence granted under sub-rule (1) shall be in

form VIII and be subject to the following conditions, namely:- (a) the licence shall not be transferable; (b) it shall be valid for the period specified therein; and (c) any other condition relating to the manner ofcarrying out the mining operation or construction which the Director may specify in the licence for ensuring the safety and appearance of, and the maintenance of the approach and access to the State protected monument

33. Cancellation oflicence.- ne Director may, by order, cancel a licence granted under rule 32 ifhe is satisfied that any of its conditions has been violated : Provided that no licence shall be cancelled unless the licensee has been given an opportunity to make his objections

34. Appeal.- Any person aggrieved by an order of the Director made under rule 32 or rule 33, may prefer an appeal to the State Government and the decision of that Government on such appeal shall be final

35. Removal of unauthorised buildings.- (1) The State Government may, by order, direct the owner or occupier of an unauthorised building in a prohibited area or in a regulated area or of a building or part thereof which has been constructed in contravention of any of the conditions of a licence granted under rule 32 to remove such building or part thereof within a period specified in that order. (2) If the owner or occupier refuses or fails to comply with an order made under sub-rule (1), the State Government may direct the Collector to cause the building or part thereof to be removed, and the owner or occupier shall be liable to pay the cost of such removal

36. Penalty.-Whoever- (i) unlawfully undertakes any mining operation or construction in a prohibited area or in a regulated area; or (ii) contravenes any of the conditions of a licence; or (iii) fails or refuses to comply with an order unger sub-rule (1) or rule 35; shall be punishable with imprisonment which may extend to three years or with fine which may extend to ten thousand rupees or with both. 105 CHAPTER VII-COPYING AND FILMING OF STATE PROTECTED MONUMENTS

37. Permissions required for copying certain monument.-The Director may, by order, direct that no person other than an archaeological officer or an officer authorised by him in this behalfshall copy any specified monument or part thereof except under and in accordance with •erms and conditions of a permission in writing granted by an archaeological officer

38. Conditions of copying other monuments.- (l) Any person may copy a State protected monument in respect of which no order under rule 37 has been made. (2) Nothing in sub-rule (l) shall be constfued as authorising any person other than an archaeological officer or an officer authorised by him in this behalf, while copying any such monument to- (a) (b) (c) (d) (e) bring into or use within the precincts of such monument a camerastand, stool, chair, table, large drawing- board, easel or any such appliance; or erect any scaffolding within such precincts; or use within such precincts any artificial light other than a flash light synchronised with the exposure of a camera; or apply any extraneous matter, such as water, oil, grease, or any moulding material on such monument or part thereof; or prepare a direct tracing or mould or squeeze of such monument or part thereof, except under and in accordance with the terms and conditions of a permission in writing granted by an archaeological officer
